THREE GREAT LIGHTS.
Mankind have long been engulfed in darkness, as regards the true means of securing health—ridding the body from diseases, and preserving life. This situation is the result of the neglect of the regular faculty, and subject to a continued practice of probabilities and uncertainties. There is nothing certain or fixed in the treatment of the sick either in the use of new school medicines, or in the use of old school remedies.

Dr. Radway has succeeded in producing three remedies—known to the world as Radway's Ready Relief, Benger's Sensitive and Regulator. These remedies are

failed in their special or combined efficacy in producing frontal and beneficial results—but, they are facts establishing a science as the human in cases, when tried successfully, according to the directions given, and the relief from disease after all other medical treatment had failed—and the most skillful physicians had given up the case as beyond the power of human means to cure—these are the facts.

Rayday's Remedies are therefore fixed facts in the archives of medical science—they have been "often tried," "never denied," and are recognized as "fixed facts."

FIRST CURE AT HAND.

RAYDAY'S READY RELIEF.

As a Special Remedy to be used in all cases where the human body is seized with the torturing pangs or par-

cases of pain—no matter what the cause of the pain may be, or where it may be located—an application of the *Unani* *Qudri* will be immediately effective. It will not only act as an alleviator, will, in a few minutes, restore the afflicted body to ease and comfort.

In affections of Bowel Disorders, Dysentery, Obstruction of the Biliary Passages, and other Nervous Disorders, Neuralgia, Rheumatism, Sprains, Strains, Acute, Burns, Scalds, Blisters, Shut Wounds, Strains, Cuts, Bruises, Swellings, Stings of Reptiles, Insects, or any other kind of Injuries, the *Unani* *Qudri* will be found to be of great service. It will be found to be of great service under all circumstances where the human system is sorely troubled by pain, *Unani* *Qudri* is ready relief and is relied upon as a quick, safe and certain remedy.

Unani *Qudri* is sold by all the principal Dispensaries, Ship Surgeon, Yellow Fever, Fever, Ague, Malaria, Fever, and

all malignant Fevers, Small Pox, Measles, Rheumatism, Malaria, & Erysipelas, in connection with Radway's Regulator, will cure the most obstinate cases, and, with those disorders, will protect the system against epidemic attacks when either of these malignant diseases prevail.

SECOND GREAT LIGHT.

RADWAY'S REGULATORS.

The discovery of these wonderful pills establishes a new era in purgation, and a new principle in the science of medicine. In taking these pills no griping pains or violent evacuations are experienced, and the system is relieved, leaving the bowels, liver and other organs in a natural and a healthy condition.

They insure those who take them a good appetite at

Each pill that is taken gives new life to the blood—the purify it, take from it all impure deposits, and equalize its circulation.

Every course of Radway's Regulators will entirely remove all distressing symptoms of Dyspepsia, Jaundice, Nervousness, Indigestion, Constipation, Liver Complaint, Rheumatism, Melancholia, and will cure all organic diseases of the liver, and all diseases connected with the digestive system, and weaken discharges, may truly prompt cure and regular periods, in known a Regulators are taken.

Every course of Radway's Regulators that is taken gives new strength within the body of the weak, feeble and infirm. All who take are delighted with the happy change they experience in a few hours. The dispirited

There is no remedy in the world that will work more miraculously than this old disease-cure, KADWAJ'S RESOLVENT. It changes the whole human body—reduces new and heavy blood to the normal condition of the blood—purifies the blood from the lungs—KADWAJ'S RENOVATING RESOLVENT.

In all constitutional diseases, and where the constitution is broken down, or the body in a rapid state of decay, or in the progress of any form of disease, whether by the violation of the laws of health, or by excess, and indulgence of the passions, or by hereditary transmission, as in cases of pueraria, or consumption, or any other form of disease, the system is so weakened, that a long line of ancestry has to be traced back, until it is found on posterity, as a monument of the past, at the expense of the suffering laborers. Hence Remedies, in the treatment of such diseases, should be directed to the source, and not to the disease; and should be so directed, that the system may be restored to its original state, and the body every particle of diseased matter removed, and the whole system with health; *keep the unclean*
